To Whom it May Concern,

It is with great pleasure that I endorse Ms. Donna Rivas for a sales consultant position.

Donna is my former strategic management student at Georgetown University's School of Continuing Studies in Washington, DC. She was my student in the Professional Certificate in Strategic Management program at Georgetown, especially showing persuasive analytical and communication skills in presenting her portion of the American Express capstone project. .Her insight and thoughtful classroom contributions were consistently edifying to the class as a whole and enriching to the general program at the school. Donna is a person of character and intellect with a high sense of personal responsibility. I have no doubt she will prove to be an asset to any position to which she accedes.

If I can assist you or Ms. Rivas at any time, please don't hesitate to reach out to me.

Very Truly Yours,

John A. Corso, DPA
