Re: Donna Aseret Rivas

To whom it may concern,

I am writing to recommend Donna Aseret Rivas, who worked with Carey & Danis, LLC as an intake and community outreach coordinator with respect to our social media addiction litigation campaign. It is a pleasure to provide this letter on her behalf.

Throughout her time with our firm, Donna was diligent and reliable. She consistently kept us informed of her progress, sent us regular activity logs, and followed through on every assignment she took on. Her communication was clear and professional at all times.

We particularly appreciated that Donna showed initiative and creativity in expanding the reach of our program beyond obvious channels. Donna was one of the strongest coordinators we worked with, and her efforts reflected real care and professionalism.

I recommend Donna without reservation and am confident she will bring the same diligence, initiative, and professionalism to any future opportunity. Please feel free to contact our office if further information would be helpful.

Very truly yours,

James J. Rosemergy
